

2022 Spring Fishing Tournament

Sunny skies and few clouds greeted participants of the 2022 White Lake Summer Fishing Tournament on Saturday, June 11. More than 45+ anglers of all ages, on 13 boats, competed for trophies and cash prizes, and put their fishing techniques to the test. Coffee and donuts from the Looney Baker were served before the tournament horn sounded.

Nearly 50 pounds of fish were weighed at the conclusion of the event at the White Lake Inn docks. Once again, this year no Walleye were caught.

The **Brown family (Brandon, Don, Logan, and Christian)** walked away with the trophy and \$175 in the **Best Catch** category with 8 lbs 10 oz of fish.

Second Place Best Catch (\$85) went to Jim Vivier and 12 year old Ezra Haman with 6 lbs, 10 oz. A **third place tie** was awarded to Scott Trudell, Larry Sokolowski and Joe VanWormer with 6 lbs, 8 oz of fish and \$60 in prize money.

Biggest Fish went to Don Brown who caught a 2 lb, 14 oz Largemouth Bass.

In the **Youth under 13 Category**, 9 year-old **Logan Brown** outshined everyone with a whopping 3 lb, 7 oz largemouth Bass.

Second Place Youth Under 13 went to 7 year-old **Will Freiburger** who presented a 2 lb, 12 oz bass.

A special thank you to The White Lake Inn for once again hosting our registration and weigh-in, Mitchell's Marina for use of their scale, and first-time sponsor of the event, Stickman Baits for donating 50 packets of his specially formulated plastic worms. A few anglers did have success using the Stickman Baits.

It was great seeing more youths participating in the event this year.

The Fishing Tournament will return this fall on September 10th.
